

Panels and Looms

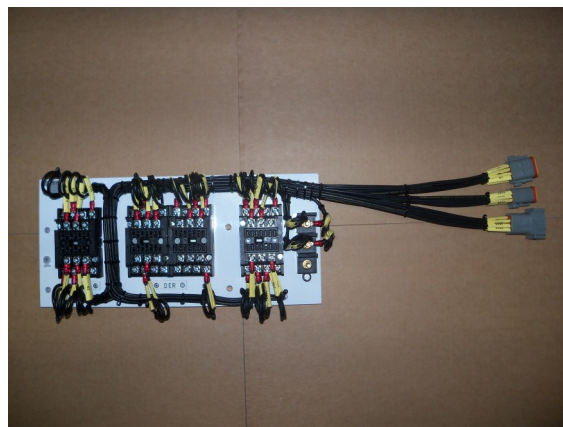

Long Life Reliability
does not cost the earth

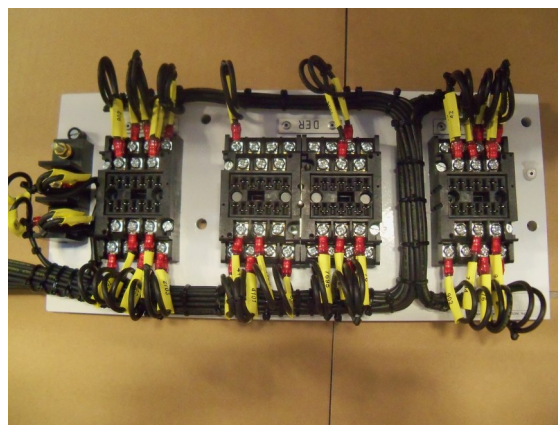

LPA CONNECTION
SYSTEMS

MANUFACTURE, ASSEMBLY AND WIRING OF PANELS

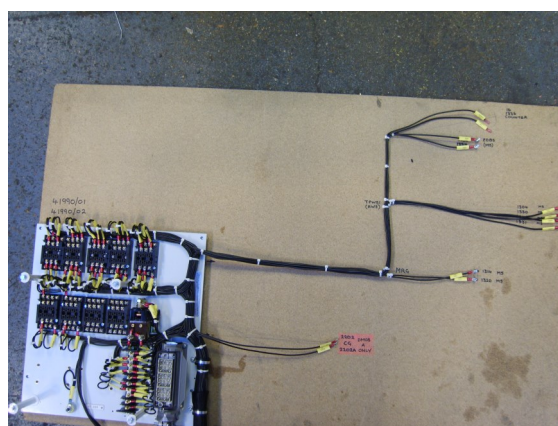

LPA have the ability to design, manufacture, assemble, wire bespoke panels to our customer's requirements.

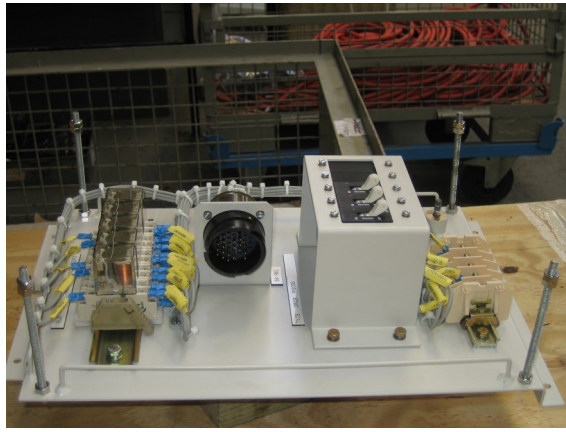

Relay Panel assembled and cabled, wiring to LUL/Rail standards. All crimping is controlled within the assembly process and tooling validated at the required intervals.

Close up of wired Relay Panel showing wiring detail to LUL/Rail standards.

Cable loom prepared as part of Relay Panel.

MCB Panel

Cable loom prepared as part of a Panel Assembly
